

FIRST AMERICAN BANK

people. business. communities.

Effective August 21, 2006, Waukee State Bank, located at 45 N. Warrior Lane, Waukee, becomes the 7th Des Moines metro area First American Bank, and the 17th First American Bank location in Iowa.

First American Bank offers customers a breadth of services not usually found in community banks. From mortgage origination services to personal and private banking; from small business banking to commercial lending and treasury management services; from financial consulting to insurance and investment services, from employee benefits to individual financial strategies... First American Bank is redefining community banking.

First American Bank's mission is simple---helping people succeed.
